

한글 해석을 읽고 문맥에 맞도록 문장을 완성하시오. [26년 고3 5월 영어모의고사 29번]¹⁾

(1) Eurofound의 한 연구는 원격 근무를 하고 있었던 젊은 사람들이 나이가 더 많은 동료들보다 자신들의 업무량을 관리하는 데 더 많은 어려움을 이야기했다는 것을 발견했다.

managing / their / were / study / older / working / more / who / reported / by / found / than / difficulties / people / that / in / workload / remotely / A / Eurofound / colleagues / young

(2) 게다가, 대면 근무에서 대인 관계를 구축하고 조직 문화에 그들 자신을 깊이 자리 잡게 할 수년간의 시간이 있었던 이전 세대의 사람들과는 달리 많은 젊은 사람들은 팬데믹 동안 원격 근무로 자신들의 경력을 시작했다.

culture / the / working / those / during / years / unlike / in / establish / job / pandemic, / generations / in-person / organizational / careers / to / themselves / young / interpersonal / and / began / in / people / connections / their / many / had / remotely / embed / who / Moreover, / an / many / the / older / in

(3) Prospects의 한 설문 조사는 영국의 학생들과 졸업생들 중 거의 절반이 팬데믹 동안 적절한 작업 공간 부족이나 방해 요인들 때문에 집에서 작업을 하는 것을 어렵다고 여겼다는 것을 알아냈다.

found / the / graduates / suitable / Prospects / difficult / or / survey / work / in / the / to / pandemic / distractions / to / lack / United / by / Kingdom / and / home / almost / students / during / found / due / A / workspace / of / it / a / from / that / of / half

(4) 젊은 사람들이 원격 근무에 장기간 어려움을 겪을지도 모르는 가운데, 아마도 일부 시간은 집에서, 다른 시간은 현장에서 근무할 수 있는 혼합 모델 쪽이 그들에게 효과가 있을 것이다.

home / a / perhaps / young / remote / more / for / can / work / model / work / hybrid / of / times, / the / may / work, / of / struggle / other / and / work / where / with / would / from / onsite / well / them / they / people / long-term / time / While / part

(5) 하지만 그들은 주중의 특정 요일들이 원격 근무로 지정된 경직된 혼합 구조가 아니라, 대신 가능하다면 그들이 업무 역할에 따라 날마다의 근무 장소를 선택하도록 허락하는 유연한 선택지를 필요로 할지도 모른다.

the / specific / designated / working / may / be / role, / possible, / them, / hybrid / that / instead / to / the / fluid / days / of / for / with / remotely / day-to-day / formal / job / if / option / on / need / choose / But / it / a / depending / structure / location / not / that / allows / work / a / they / week / but / their

-
- 1) (1) A study by Eurofound found that young people who were working remotely reported more difficulties in managing their workload than older colleagues.
 - (2) Moreover, many young people began their careers working remotely during the pandemic, unlike those in older generations who had many years to establish interpersonal connections and embed themselves in the organizational culture in an in-person job.
 - (3) A survey by Prospects found that almost half of students and graduates in the United Kingdom found it difficult to work from home during the pandemic due to a lack of suitable workspace or distractions.
 - (4) While young people may struggle long-term with remote work, perhaps more of a hybrid model where they can work from home part of the time and work onsite other times, would work well for them.
 - (5) But it may not be that they need a formal hybrid structure with specific days of the week designated for working remotely but instead a fluid option that allows them, if possible, depending on the job role, to choose their day-to-day work location.
